

# **JUNIOR CURLING WEEKEND "NO BOUNDARIES" CAMP & Junior SPIEL**

The Capital Curling Club in Bismarck, North Dakota, will again host a junior bonspiel and competitive curling camp October 23-25, 2009, which coincides with Teachers' Convention in some states.

The event will draw teams from across the region and Canada. The event features a pool-type, round robin, format. Two divisions, a competitive and a developmental, will ensure challenging games.

Concurrent with the bonspiel will be the "*No Boundaries*" Curling Camp. The No Boundaries concept combines top curling coaches and instructors working together to provide a series of "training tracks" or "clinics".

Clinics will be held between bonspiel draws. This will allow the athlete to try the newly learned concepts as soon as the class is over. Cost for the event is \$60.00 per person which covers the bonspiel, the clinics, and lunch and dinner both Friday and Saturday. Activities begin Friday morning. Athletes are to sign up as teams.

A block of rooms has been reserved at the Comfort Inn 1030 East Interstate Ave. Bismarck North Dakota. 1-701-223-1911. \$72.40 per night. Room block under Capital Curling Club.
